

# *My Gardener*

Sylvia Kegel

Jesus

I want to deliver

My heart up to You

As a ground

For You to let grow

Whatever You want

Jesus

I want to be patient

But also ready to go

And act how You

Want me to

So I can be a blessing

Plant Your seed into my head

Into my heart

Into my hands and feet

And mouth and all my being

Let Your light shine through me

On whatever I may pass

And I trust that You are with me

And You keep Your loving eyes on me
