OH LORD (When Darkness Falls)

Die Heiligen Bombenleger

Em          G    D    C
When darkness falls and surrounds me,
Em          G    D    C
When a storm begins and holds me down,
Em          G    D    C
When they all say: you are not here,
Em          G    D    B
Oh Lord, then I cry out:

Em          G    D    C
Oh Lord, how great, how great you are.
Oh Lord, how great, how great you are

Em          G    D    C
You are my God.
