_ God I pray for those who feel like the walking dead.

_ God I pray for those who once were good and now are bad.

_ God I pray for those who've suffered all their lives.

_ God I pray for those who've made me suffer in my life.

_ God I pray for those that were worthless on their own.

_ God I pray for those whose names and smiles were never known.

_ God I pray for those who've struggled since the fall.

_ God I pray for us - 'cause really we are beggars all. _
