

# THEN THEY WILL KNOW

Preson Phillips

Capo III

Dm Am G

Lord, restore the joy of my salvation to me,

And pour once again the love that has caused the blind to see, out on me

Let hallelujahs fill my lips, when I sing

Dm Am G F

Let righteous renewal flow from the words that I speak

G F

And I will dance because you gave me life

And I will love with all I have inside

G F G

And I will share because given everything for me

F C

And then they will know, we are forgiven

G F C

And then they will know, we are loved, God

G F

And then they will know

Am G/B

Cause they have seen, they have heard,

C Dm F

With our hands and with our feet we have shown love

Dm Am G

daa dadat daa dadat daa

God, teach me to love in ways that set the captives free

And strength to forgive the way that you've forgiven me

Let signs and wonders fill my life, for all to see

Let glory from your temple flow into the streets
