

WON'T HIDE

Dora Sumislawska & Matthias Lingenfelder

Em G D Am
_ Let your light enlighten me. _ If I lied I cannot hide it
_ Standing in your presence, please shine, shine through me

Em G D Am
I won't hide, I won't hide, I won't hide my heart

Em G D Am
_ My fear goes away while I come closer and closer to you God
_ Please show me your holy place where you dwell where your presence rests

Em D C G
My whole entire life I look for your heart
the place where you dwell to call it my own house
I lay down my life to get this precious pearl
Your presence removes my masks I can be truly myself

Em G D Am
_ I have nothing to give apart from naked _ honesty
_ Here I am with empty hands - you see, you see _ everything

Em G D Am
_ My heart longs for your love, my heart thirsts for your mercy
_ I want to love you more and more, I don't want to go without you, o God
